Intake for Training in Psychoanalytic Psychotherapy: 2025

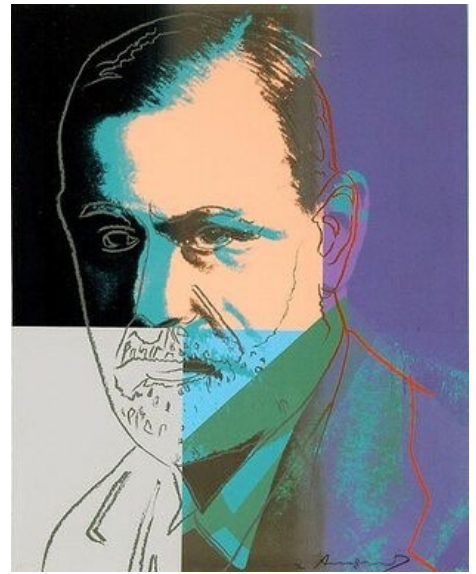

Join our training and become a member of an internationally recognised professional community. Our program adheres to the rigorous standards set by the Psychoanalytic Psychotherapy Association of Australasia (PPAA), of which NZIPP has been a member since 1999.

Why Train with NZIPP?

- Learn from leading experts in psychoanalytic psychotherapy
- Engage in an immersive training experience
- Enhance your clinical skills and deepen your professional expertise

Eligibility

- Current registration in New Zealand (or equivalent overseas) in the mental health field
- Experience in psychoanalytic psychotherapy (preferred)
- Psychological maturity and professionalism. Selection is based on individual interviews.

Program Overview

Our three-year program integrates:

- Theory & Practice: Participate in seminars and workshops that combine theory with clinical practice
- Receive weekly supervision with an accredited supervisor tailored to your development
- Engage in your own psychoanalytic psychotherapy or psychoanalysis
- Work on two training cases involving twice-weekly psychotherapy

Venue, cost, and application

- Location: The training will be presented via Zoom and available throughout New Zealand and elsewhere. Depending on the numbers involved, in-person attendance in Auckland may be possible.
- Cost: NZ\$320 for the two admission interviews and NZ\$3500 per year, which includes all NZIPP events.
- Please fill in the [application form](#) and submit it by 7.12.2024. For more information, contact the Director of Training, [Dr. Gloriana Bartoli](#).
