

# Are you a Psychologist looking for new opportunities to work with a values and client-focused company?

We are a proudly New Zealand owned and clinically-led interdisciplinary rehabilitation company seeking Psychologists to work with us on our sensitive claims and rehabilitation contracts across NZ.

## Why join us an Active+ provider?

### 1. Weekly payments

Receive competitive pay rates, which are conveniently paid each week. We create the invoice to save you time and effort - freeing up your time to focus on client care.

### 2. Streamlined referrals

Choose the clients you want to see with tailored referrals that match your preferences. There is no pressure to accept referrals.

### 3. Training and support

You will have access to comprehensive training materials, collegial support, and the contract support you need to provide the best care. We host regular networking events to help you expand your professional connections.

### 4. Flexible arrangement

We offer a flexible arrangement, meaning that you're not tied down to just working for us.

### 5. Clinically-led management team

Our decisions are driven by clinical expertise ensuring that our clients are put first.

### 6. Diversity of work

We hold a range of contracts that offer diverse work such as sensitive claims, psychological problems following physical injury, traumatic brain injury, chronic pain and neuropsychological assessments. As well as ACC, Active+ also works with private insurance companies, third party providers, Veteran's Affairs, MBIE and the Police providing you with a range of opportunities to grow your business.

### 7. Nationwide opportunities and network

Become part of a large nationwide interdisciplinary network, and gain access to other healthcare professionals to deliver holistic and comprehensive client care.

Join the Active+ team and be a part of a rehabilitation company that values your expertise, prioritises professional growth, and provides you with support and flexibility.
